each other!**

During the first session, youth created “ourgrams” and filled in the blank to: “Norris Homes is...”

How would you fill in the blank?

**Ms. Sannii**  
explaining  
how they are  
going to use  
cameras to  
document  
what they see  
in their  
neighborhood.

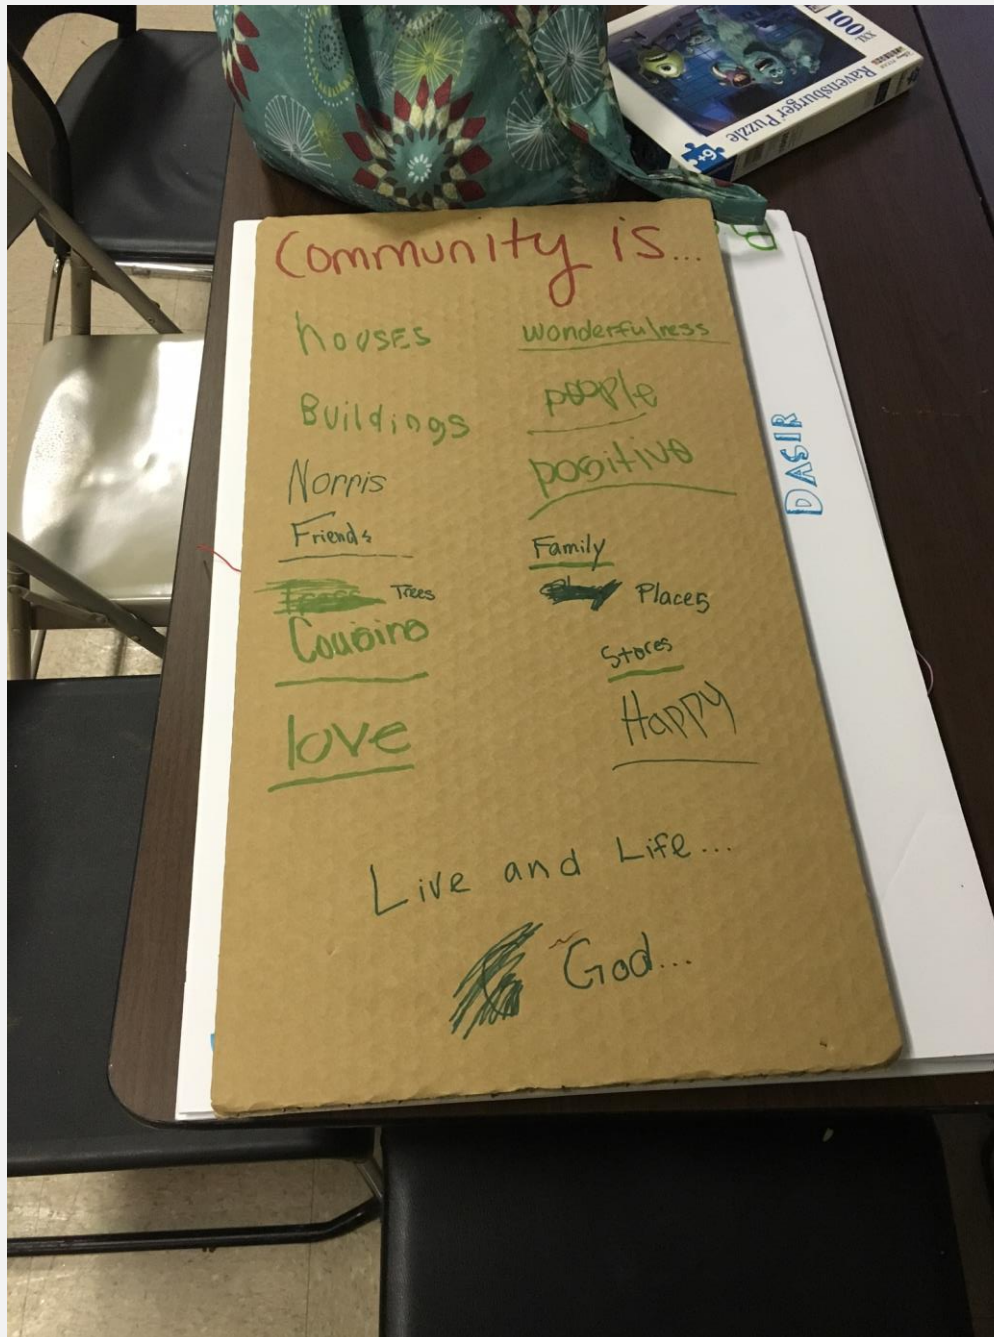

This is how the  
boys define  
community.

How do you define  
community?

**Taking it to the neighborhood!**

**The girls were taught by Ms. Sannii how to take photos and videos.**

**They stopped along the way to interview passers—by.**

**When they got back to the Center they made a list of things they love about their neighborhood and things they'd love to change.**

Week #3
